PROFILE.

I am highly motivated and willing to put in a tremendous amount of time and effort to better myself and learn more about programming and development. This is something I feel very passionate about. I am able to work and make decisions independently, cooperate with different kinds of people, as well as handle deadlines and clients. I have a very strong work ethic, meticulous attention to detail and I always fully commit to the task at hand.

CAREER BACKGROUND.

Freelance translator

I have been a self-employed freelance translator since the beginning of 2005. I have extensive experience in translating a large variety of text types, but I have specialized in translating technical texts. These include manuals, maintenance instructions and technical web content.

ACADEMIC BACKGROUND.

University of Tampere

Master of Arts / 2000-2006

Major subject: Translation Studies (German)

Minor subjects: Translation Studies (English) and Translation Studies (Finnish)

CODING SKILLS.

I have been teaching myself to code for the past year and am currently taking Udemy courses "The Complete 2020 Web Development Bootcamp" and "Complete Python Developer in 2020: Zero to Mastery".

- Good skills in JavaScript, HTML, CSS
- Basic skills in Python and Java
- Experience with Bootstrap, DOM manipulation and using code editors

LANGUAGE SKILLS.

Finnish: Professional native proficiency

English: Full professional proficiency

German: Professional working proficiency
